

Skipton Canal Cruise – May 2025

The day started off on the cool side but by the time we arrived in Skipton the sun was trying its best to shine on us.

We all had a few hours free time so first on the agenda was the obligatory coffee and bacon butty etc. to keep us going!

We all went our different ways to do a bit of shopping, sightseeing and drinking!

After a few hours we met to board the boat.

We sat back, relaxed and watched the countryside roll by, ducks with their ducklings, geese with their goslings and swans nesting along the banks of the Leeds -Liverpool canal whilst enjoying our savoury afternoon tea served by attentive and polite staff.

Lovely trip on a lovely sunny day.

Thank you Stuart, our reliable driver, and thanks to Chris, Brian & Jane for organising and looking after us.
