

Thank
you!

The image features the words "Thank you!" written in a black, elegant cursive script. The text is centered and surrounded by five gold, three-dimensional stars. One star is positioned above the 'T', another above the 'a', a third above the 'k', a fourth to the left of the 'y', and a fifth below the 'u'. The stars have a metallic sheen and are set against a light, textured background.

To Chris, Jane & Brian,

Thank you so much for
all your hard work in organising
the recent holiday.

I hope you all managed to
relax and enjoy the trip
despite the various issues.

I am sure Studley will
be perfect.

Cabs & Marlyn.
