Dear Mr Radcliffe,

**Thank you for giving our patients hope during another challenging year. Your precious donation will make a huge difference to the lives of our patients and their families, so please know how much it means to everyone at St Barnabas Hospice.**

By kindly donating £1500.00, you have given St Barnabas the ability to reach out to more vulnerable people across Lincolnshire in their hour of need. Please don't just take it from me; Carina is a doctor that works on the front line and has described what your support means to her patients.

**"I would like to personally thank you for the generous donation you have made to the Hospice. The people I care for often have very complex needs, so this money could help me to spend one-on-one time with a patient to work out a pain relief medication plan tailored to them."**

Thank you so much for your most generous support.

With warmest wishes,

**Marie Pattison**
